## WORK EXPERIENCE

<b>React Developer • Internship</b> Arterns Technologies, Virtual	May 2024 - Oct 2024
During my Internship, I built dynamic web applications, added new features, optimized performance, and collaborated on API integrations. I gained hands-on experience with React,Redux, and responsive design, while improving my problem-solving skills.	
<b>Trainee • Internship</b> ICT Academy, Virtual	Sep 2023 - Oct 2023
I gained hands-on experience implementing OOPS principles and utilizing JavaScript for DOM manipulation.This opportunity allowed me to deepen my understanding of both languages while developing practical skills in full-stack development.
